

Apply for a student internship at ABB

Are you looking for an unpaid student internship that will allow you to gain practical experience and take your first (or next) steps in your career? We're waiting for you at ABB!

We are currently seeking students interested in completing internships in the following teams:

- **HR** - HR Operations
- **Finance** - Accounts Receivables

What does the recruitment process look like?

You're just three simple steps away from becoming our intern.

1. Interested students are invited to send their CVs to:
magdalena.kuhl@pl.abb.com & krystian.wagner@pl.abb.com.
2. We will contact selected candidates to conduct a short phone interview.
3. If the interview goes well, the selected student will receive an email with a request to complete a personal questionnaire and a contract template, which must be filled out by both the student and the university.

What have we prepared for you?

- The opportunity to complete a student internship under the guidance of experienced experts and gain practical, hands-on experience.
- An internship lasting 3-6 months (depending on your field's requirements) with the possibility of transitioning into a paid internship.
- Flexible internship hours - partly from our modern office in the city center, partly remotely.
